

Board of Curators of Canaan Historical Museum  
June 21, 2010

ACCEPTED

Board of Curators convened at the home of Carol Bergeron, 579 Canaan St. with members present: Dan Fleetham, Sr., Reg Barney, Donna Zani-Dunkerton and guests: Carol Bergeron, Ed Lary.

The Board agreed to address concerns that they need to meet more frequently and it was suggested quarterly meetings be observed. It was also suggested we follow similar procedures used by the Old Meeting House Committee. We will look into getting a Selectmen's representative to attend.

Other suggestions: follow a two-tier structure with alternate members as well as possible non-voting members. Carol will look into this.

Donna discussed the inventorying she and Carol are doing at the Museum. This will take all summer to complete.

At the next meeting we will discuss appointments to the Board focusing on specific needs of the Museum.

Respectfully submitted,

Carol Bergeron
