- Café
- Community Market
- Lodging
- Computer Tech
- Remacle Block

Comments

Very sorry to miss this.

My BnB has been rented most weekends and for the month of September.

I am still interested in the Community Store/cafe

I am also interested in Community Theater for adults and children.

What's happening to Remacle Block?

Laura Smith

What's up with Switch Road?

Shoreland protection. Wetlands.

Who? Hersey, Chey & Town of Canaan.

You ought not to be organizing a community market. Leave it up to business to build business and manage business.

The proposed Community Market is something that we would like to participate in. We felt that the original farmers market was not run by farmers and this one looks like it will be. -- Huntoon Farm

Mascoma Valley Union School District dinner - \$40 – tour is free

What's BioSoil? Why?

BioSoil

Turns roads of clay into concrete!

Cost \$2,500 = 1,200 feet or \$12,500 a mile – Goal is 1 mile a year

Need is 20 miles

Where are we going?

- What do we need for commercial economic development?
 - Customers or potential customers willing to spend money
 - A person or persons with a good idea or product
 - Money needed to set up, operate and survive for 3 years
 - Permits/community support
 - What has happened this year so far?
 - Dollar general
 - Helping or hurting growth
- What can each of us do?

Village Foot Traffic

- What are some options?
- Go back to focusing on trails and recreation venues
- Outdoor recreation committee to facilitate things like OHD or other events all year.
- Find someone to initiate (each of us invite 4 others to join us)
- Get Farmers Market group to join us
- Change our Ec Dev into event meetings
